Also, in the event that St Mary's identifies concerns, particularly following an incident, St Mary's CYRMS will be reviewed, and any actions documented. Issues to be considered in the review may include:
 - whether BCE and school policies and procedures were followed
 - whether any incidents/concerns relating to risk management regarding children and young people occurred
 - the effectiveness of the process used to manage any incidents
 - the effectiveness of BCE's and St Mary's policies and procedures in preventing or minimising harm to children and young people; and
 - the content and frequency of training in relation to BCE's or St Mary's CYRMS.
- b. Following the review, employees, parents and volunteers at St Mary's are advised of any significant changes to BCE's or St Mary's policies and procedures as a result of the review and appropriate training or information will be provided.
