McAuley College - a new Catholic Secondary College for the Scenic Rim

EXPRESSION OF INTEREST IN ENROLMENT

Brisbane Catholic Education plans to open a new Catholic secondary college in Beaudesert, to serve the Scenic Rim region. As part of these preparations, expressions of interest are being sought for the enrolment of students in Year 7 for 2017 and for subsequent years.

If you have a strong interest in enrolling your child at this new college, your response will assist Brisbane Catholic Education with its planning for this exciting new educational facility. This is not a binding commitment on your part; simply an indication of possible numbers for the new college and which will allow us to provide you with further information as it becomes available.
