Since 1901, we have educated families in the Beaudesert district, some of whom are the great grandchildren of those who were here in the earliest years of the school. We are now proud to partner with the new Catholic secondary school, McAuley College, to offer an exceptional Prep-to-Year-12 education to Beaudesert families.

# A school where children **belong** and **grow**

St. Mary's is committed to providing your child with an affordable, quality education, and encouraging them to *Belong, Grow and Serve* in a contemporary Catholic community. St. Mary's students meet the learning challenges to progress each and every day.

## St. Mary's offers your family:

- Affordable fees
- Exceptional teaching and learning
- Play-based Prep
- Tranquil and contemporary facilities and technologies
- Air-conditioned classrooms
- Student enrichment programs
- Arts, music and sports and outdoor education
- Pastoral Care, with a health and wellbeing focus
- Outside School Hours Care

## Do I need to be Catholic?

You do not have to be Catholic to attend St. Mary's. If like us, you are committed to the holistic education of your child and support the ideal of an inclusive community, you are warmly welcomed at St. Mary's. All children are unique and our challenge is to ensure that with a Catholic ethos, our proven teaching philosophies and your support, they will grow spiritually, academically, socially and physically during their time at St. Mary's.
